

**REMARKS/ARGUMENTS**

In the current Amendment, claims 11, 16, 17, 18 and 70 are amended to remove the multiple dependencies so as to each only be dependent from independent claim 1. Claim 61 is also amended to correct a minor typographical error.

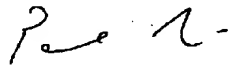

It is respectfully submitted that the cancellation of the multiple dependencies fully responds to the Notice of Fee Deficiency, in accordance with 37 CFR §1.53(f)(3), and therefore fully responds to the prior Office Action.

Moreover, it is respectfully submitted that the Amendment does not add any new matter to, nor present any new issues to the prosecution of, the present application.

It is respectfully submitted that all of the Examiner's outstanding objections and rejections have been traversed, and therefore, the present application is in condition for allowance."

Very respectfully,
